

Change a child's life. Sponsor the Pine Tree Camp 100.

What is Pine Tree Camp?

Pine Tree Camp is a summer camp for Maine children and adults with disabilities. It offers:

- A barrier-free environment that allows all campers - regardless of their ability level - to actively participate in activities such as swimming, hiking, boating and outdoor games.
- Opportunities for campers to make lifelong friends with peers who understand the daily challenges of living with a disability.
- Respite for parents and other caregivers who care for their loved ones year-round.

Why Sponsor the Pine Tree Camp 100?

Help us reach our goal of sponsoring 100 Pine Tree campers each year! Since it opened in 1945, Pine Tree Camp has been committed to welcoming *all campers* regardless of their ability to pay the \$1900 tuition. By sponsoring one or more campers through the **Pine Tree Camp 100**, you will help keep Pine Tree Camp's open door policy firmly in place. Your commitment means that more children with disabilities will enjoy an unforgettable, barrier-free week at Pine Tree Camp that will change their lives.
